MEMORANDUM FOR: Director of Logistics

THROUGH : Assistant Director for Special Activities 25X1A5a1

SUBJECT : New Task Order, [REDACTED]

REFERENCE : OEL-821/64 dated 20 August 1964 25X1D0d  
Subject: Development of [REDACTED]  
[REDACTED] 25X1D0d

25X1A5a1 1. Technical Proposal No. 65420-1, attached, was solicited 25X1A2d2 from [REDACTED] for purposes of expanding the scope of the [REDACTED] program. The purpose of the new task is to provide financing for the configuration of a [REDACTED] for installation in the [REDACTED]. The new system is to have the capability of measuring parameters of the [REDACTED] and will augment equipment developed under previous contracts by [REDACTED]. Reference contains additional technical detail relative to the new task and is forwarded for information purposes.

25X1D0d 25X1D0d 25X1D0d 25X1A5a1 2. The proposal anchors execution of the task to a six month time interval. This document has been reviewed by OEL engineering personnel and has been determined acceptable with respect to both scope and phasing. The technical proposal, however, does not specifically provide for the submission of progress and financial reports. Accordingly, it is requested that the contract include provision for the submission of monthly progress reports together with initial and cumulative financial statements for the review of the Project Officer. Additionally, the progress report is to contain a forecast of planned activity for the next reporting period.

25X1A1a 3. Requisition ELR-208-65, attached, substantiates the [REDACTED] this Office has encumbered for purposes of executing the task. Authorization for the Assistant Director for ELINT to engage in this development is contained in reference which was approved by the DD/S&T. Since the Agency appropriation is not cited as a funding source, the contract is exempt from the internal Activities Approval System and does not require the approval of the DDCI.
